

New York, June 30 1873

Hon. James Pollock
Sec. Sec. Sec.

Sir:

Being about to engage the
manufacture of fractional coin for one
of the South American Republics, I
take the liberty, without the honor of
your acquaintance, to request your opi-
nion as regards to the reliability & skill
of the Plume & Albrood Mfg Co.,
Conn. for such kind of work.

Hoping to be honoured with your
reply

I remain,

Sir,

Yours respectfully

S. B. Kiernan
